

WELCOME

Dear Families,

July 2019

We are very excited to begin the 2019-2020 school year! Thank you for your partnership and participation last year! We are gearing up for another solid learning experience for your scholar this year. We are committed to ensuring that scholars are achieving at their highest levels.

As I have always messaged success for our scholars requires a combination of support both at home and in school. A strong partnership with you will make a great difference in your child's education.

Please continue to prioritize completing targeted assignments at home for practice to help reinforce academic efforts aligned to your scholar's future goals. As partners, let's continue to work together as we do our very best to help your scholar reach their full potential.

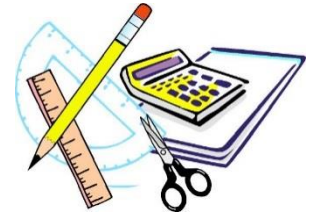

Sincerely,
CSNC Administrative Team
