

FAMILY FOUNDATIONS ACADEMY

Freedom of Information Act (FOIA) Procedures

1.0 Purpose

The purpose of this document is to prescribe procedures relating to the inspection and copying of public records retained by Family Foundations Academy ("FFA") pursuant to 29 Del.C. Chapter 100, the Freedom of Information Act ("FOIA"). It is FFA's goal in establishing this procedure to maximize the amount of information available to the public, establish a reasonable fee structure for copying public records, and to streamline procedures used to disseminate this information.

This procedure applies to FFA in dealing with requests from the public for information as set forth in the Delaware Freedom of Information Act. A new and integral part of the FOIA procedure is a procedure outlined to address the confidential treatment of information submitted to EastSide. This confidentiality procedure is a necessary part of the FOIA procedure, in that any information submitted to FFAs is subject to public review unless deemed to be confidential by the Executive Director in accordance with Delaware Code, federal law and the criteria and procedures established in this procedure.

It is the intent of FFA, as well as the State of Delaware, that public business be performed in an open and public manner so that the citizens will have the opportunity to be advised of the performance of FFA officials and of their decisions. In accordance with Delaware's FOIA laws, the public has the right to "reasonable access" to public records. FOIA provides that it shall be the responsibility of the public body to establish rules and procedures regarding access to public records as well as fees charged for copying of such records. All requests for information made pursuant to FOIA shall be processed in the manner prescribed below.

2.0 Definitions

"**Confidential information**" means information determined by the Executive Director of FFA to constitute a trade secret, commercial or financial information which is of a confidential nature or student or employee information that must remain confidential according to state or federal law.

"**FFA**" means Family Foundations Academy

"**Requestor**" shall mean any individual, organization or business that submits a request for information under the Delaware Freedom of Information Act.

"**Responsible Official**" means:

For a Corporation: A President, Vice-President, Secretary or Treasurer of the

corporation or any other person who performs similar policy or decision making functions for the corporation, or a duly authorized representative of such person approved in advance by FFA including a successor in interest to one of these persons if FFA is notified in writing of the substitution of the party.

For a Partnership or Sole Proprietorship: A general partner or the proprietor, respectively, or the delegation of authority to a representative approved in advance by FFA including a successor in interest to one of these persons if FFA is notified in writing of the substitution of the party.

For a Municipality, State, Federal, or other public agency: Either a principal executive officer or ranking elected official including a successor in interest to one of these persons if FFA is notified in writing of the substitution of the party.

“Executive Director” means the Executive Director of FFA or the Executive Director's designee.

“Trade Secret” means a formula, pattern, device or compilation of information which may be used to obtain competitive advantage over others.

3.0 Availability of Records

3.1 Access

3.1.1 FFA will provide reasonable access and facilities for reviewing public records during regular business hours.

3.1.2 FFA shall make all requested records available for review by a Requestor unless such records or portions of records are determined by the Executive Director to be confidential in accordance with Section 6 of this procedure or otherwise exempted from disclosure as records deemed non-public pursuant to 29 **Del.C.** §10002(1).

3.1.3 FFA reserves the right to deny any request in part or in full which does not comply with the Form of Request procedures pursuant to Section 4.1 of this procedure and/or the provisions of the Freedom of Information Act, as amended.

3.2 FFA Records Review

3.2.1 Prior to disclosure, records will be reviewed to insure that those records or portions of records deemed non-public are removed.

3.2.2 Upon request, FFA will provide a log of records which may have been deemed non-public. The log will include the following information:

3.2.2.1 The document's author;

3.2.2.2 The addressee;

3.2.2.3 The date of the document;

3.2.2.4 The title of the document or a brief explanation of the document's contents;
and

3.2.2.5 The statutory exemption.

3.2.3 The types of records deemed non-public are as contained in 29 **Del.C.** §10002(l).

4.0 Record Request and Response Procedures

4.1 Form of Request

4.1.1 Requests for access to records shall be made either through FFA's website or in writing to FFA's Development Director (See Exhibit 1). The request shall adequately describe the records sought in sufficient detail to enable FFA to locate the records with reasonable effort. FFA shall make reasonable effort to assist the Requestor in identifying the record being sought. The request may be denied in part or in full and returned to the Requestor for the following reasons:

4.1.1.1 The request does not adequately describe the records; or

4.1.1.2 The request requires FFA to perform research or to assemble information that has not been compiled; or

4.1.1.3 The request is overly broad. For example, a request for all email records of an employee or of FFA would be overly broad. The request should be limited to a particular subject, time frame, and/or recipient/sender.

4.2 FFA Response to Requests

4.2.1 FFA shall make reasonable effort to determine within ten (10) business days after the receipt of a request whether it can fulfill the request. The actual disclosure of records shall follow promptly thereafter.

4.2.2 If FFA denies a request in whole or in part, FFA shall indicate to the Requestor the reasons for the denial.

4.3 Reproduction of Records

4.3.1 The copying of any requested public records may be performed by FFA personnel and may be provided to the Requestor as follows:

4.3.1.1 If 25 pages or less are requested to be copied, FFA may, if time and

personnel are available, make the copies at the time of the review. If personnel are not available, FFA may arrange to copy and mail the records to the Requestor. In the alternative, the Requestor may elect to pick up copies during regular business hours and submit payment at that time.

4.3.1.2 If over 25 pages are requested to be copied FFA may arrange to copy and mail the records to the Requestor. In the alternative, the Requestor may elect to pick up copies during regular business hours and submit payment at that time.

4.3.1.3 If over 250 pages are requested to be copied, the Requestor may be required to bring in both copier and personnel to make the desired copies.

4.3.1.4 Fragmentation of requests, in order to circumvent the 250 page limit, shall not be allowed.

4.3.1.5 FFA shall have discretion based on circumstances involved to make decisions regarding copying.

5.1.2.2 Appointment Rescheduling/Cancellation - Requestors who do not reschedule or cancel appointments to view files at least one full business day in advance of the appointment may be subject to the administrative charges incurred by FFA in preparing the requested records.

5.2.6 Other Copying Fees

5.2.6.1 EastSide, at its discretion, may arrange to have records copied by an outside contractor if FFA does not have the resources or equipment to copy such records. In this instance, the Requestor will be liable for payment of these costs.

5.3 Exemptions

5.3.1 The first \$25.00 in FOIA charges shall be waived for not-for-profit organizations working in the public interest on the condition that such organizations provide, along with their FOIA request, proof of tax-exempt status and a signed affidavit from an officer of the governing body of the organization which indicates that the Requestor is authorized to request the information on behalf of the organization.

5.4 Payment

5.4.1 Payment for copies and/or administrative charges will be due at the time copies are released to the Requestor. FFA reserves the right to refuse to make copies for Requestors who have outstanding balances.

5.4.2 FFA may require pre-payment of copying and administrative charges prior to mailing copies of requested records and/or in preparing logs of records deemed non-public.

6.0 Requests for Confidentiality

A person may request that records or portions of records submitted to FFA be treated as confidential. Certain information may be determined confidential if its disclosure could potentially cause substantial competitive harm to the person or business from whom the information was obtained.

The following section sets forth procedures and criteria by which FFA will determine confidentiality of records or portions of records.

6.1 Procedure

6.1.1 In order for FFA to make a determination that information submitted is of a confidential nature, and therefore to be afforded confidential status, a request must be made in writing to the Executive Director at the time the record is submitted. The request shall provide substantiation (following guidelines in 29 **Del.C.** §10002(1)) for the assertion that the information should be treated as confidential. The request shall contain the following information:

6.1.1.1 The measures taken to guard against undesired disclosure of the information

to others;

6.1.1.2 The extent to which the information has been disclosed to others, and the precautions taken in connection therewith;

6.1.1.3 Whether disclosure of the information would be likely to result in substantial harmful effects on their competitive position, and if so, what those harmful effects would be, why the effects should be viewed as substantial, and an explanation of how the disclosure would cause such harmful effects; and

6.1.1.4 Verification that significant effort or money has been expended in developing the information.

6.1.2 The following information shall be submitted:

6.1.2.1 Two public versions of the entire package of information that is submitted for determination, with alleged confidential information redacted (this version will be made available for public review).

The public versions shall correspond page for page with the confidential versions, with the confidential portions having been redacted;

6.1.2.2 Two confidential versions of the entire package of information that is submitted for determination, that includes the alleged confidential information (this version will be used internally for technical review); and

6.1.2.3 Certification through a separate, notarized affidavit that the information is either trade secret, or commercial/financial information that is of a confidential nature. The affidavit will be signed by the Responsible Official.

6.1.3 The burden lies with the party asserting the claim of confidentiality. A unilateral assertion that a record is confidential is insufficient evidence to support the Executive Director in making a determination of confidentiality pursuant to this privilege.

6.1.4 After a final determination of confidentiality has been issued by the Executive Director, any further submissions containing the same confidential information shall be deemed to be confidential based on the prior determination if FFA determines that:

6.1.4.1 The Responsible Official notified FFA in writing contemporaneously with the later submission that the later submission contains information previously determined to be confidential; and

6.1.4.2 The later submission identifies with particularity the prior confidentiality determination; and

6.1.4.3 The notice to FFA met the requirements of Section 6.1.2 above relating to

submission of multiple and redacted copies, and included the required affidavit of the Responsible Official; and

6.1.4.4 The later representations of confidentiality are sufficient to meet the requirements for a confidentiality determination.

6.2 Criteria

6.2.1 The Executive Director may determine that the information submitted is entitled to confidential treatment if all of the following criteria are met:

6.2.1.1 Reasonable measures to protect the confidentiality of the information and an intention to continue to take such measures have been satisfactorily shown;

6.2.1.2 The information is not, and has not been, reasonably obtainable by other persons (other than governmental bodies) by use of legitimate means (other than court enforced order) without prior consent;

6.2.1.3 No statute specifically requires disclosure of the information;

6.2.1.4 A satisfactory showing has been made that disclosure of the information is likely to cause substantial harm to their competitive position; and

6.2.1.5 Verification that significant effort or money has been expended in developing the information.

6.3 Final Determination

6.3.1 The Executive Director will make a final determination as to whether the information shall be considered public or confidential based upon a review of the information submitted pursuant to this Section. The person making the confidentiality request will be notified in writing of the Executive Director's determination.

6.3.2 If the Executive Director determines that disclosure of the information would violate 29 **Del.C.** §10002(l)(2), the information will be deemed confidential until such time as the basis for a determination of confidentiality changes. It is the responsibility of the person who requested that the information be given confidential status to notify FFA in writing of such changes.

6.3.3 If the Executive Director finds that the information is not entitled to confidential treatment, the information will be considered public.

6.4 Defense of Executive Director's Determination

6.4.1 Verification of Information

6.4.1.1 There will be instances in which the Executive Director may be unable to verify the accuracy of the information submitted for determinations of confidentiality. The Executive Director relies heavily upon the information furnished by the affected party in order to make a reasonable determination of confidentiality.

6.4.2 Information Determined Confidential

6.4.2.1 If the Executive Director makes a confidentiality determination that certain information is entitled to confidential treatment, and FFA is sued by a Requestor for disclosure of that information, FFA will:

6.4.2.1.1 Notify each affected party of the suit;

6.4.2.1.2 Call upon each affected party to furnish assistance where necessary in preparation of FFA's defense; and

6.4.2.1.3 Defend the final confidentiality determination, but expect the affected party to cooperate to the fullest extent possible in the defense.

7.0 Effective Date of this Procedure

These procedures will become effective February 10, 2015.
